***Supplemental reasons for allowance***

1. This communication is a supplemental notice of allowability, which follows the prior Notice of Allowability mailed on 04/22/2005.

Applicants' representative, David Pozs, Reg. No. 37,701, requested a consideration of the abstracts of the foreign references submitted in the IDS filed on 08/24/2001. It should be noted that these submitted references are fully written in the foreign languages, and English abstracts are only provided. However, in the Form PTO-1449 they are marked with "translation". Applicants called and asked to consider **only the abstracts** of the foreign references. Thus, the Abstracts have been fully considered and provided in this supplemental notice of allowability.

Claims 1-20 **remain allowed** as noted in the prior Notice of Allowability, mailed on 04/22/2005.
